# Director's Corner

This month I would like to remind everyone that the library has hundreds of thousands of titles that you can access from home and listen to or read on your digital device. It is a public library at your fingertips. Anytime. Anywhere. All you need is a Sterling Public Library card. These online library links are as follows:

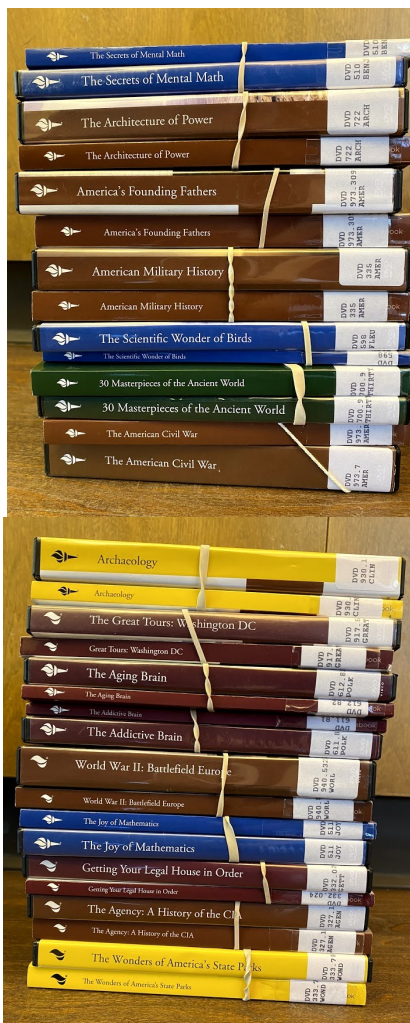

[Hoopla](#) provides ebooks and audiobooks for your tablet, phone or PC. Each patron may check out 4 titles per month.

[Libby/Overdrive](#) provides ebooks and audiobooks on your tablet, phone, PC or Kindle.

[E-read Illinois \(Axis 360\)](#) provides ebooks and audiobooks on your tablet, phone or PC.

[BiblioBoard](#) allows you to read books and view media from local and nationwide independent artists.

If you need assistance please call the library at 815-625-1370 and our staff will be glad to help you.

Want to learn something new?

Check out one of our Great Courses sets. They cover a wide variety of topics in history, science, medicine, math, the arts and government. They each come with a set of DVDs and a coursebook. Here are some of the titles we currently have available.
