Congratulations to Judy Long for 30 years of service!

Thank you for being a
great employee of the
library!

We wish you all the best!

Director's Corner

As you start the fall season, I hope you will look to the library to help make this your best fall ever! If you don't have a library card, now is the time to get one. Your library card opens a world of wonders and adventure! A library card can grant you access to physical materials as well as downloadable ebooks, movies, audiobooks, and music to your phone, tablet or computer.

Did you know that you can access older editions of the Daily Gazette online via the library's webpage? We have digitized our microfilm from 1857 to 1959. Issues from 1960-1985 are currently being digitized. This is a great resource for stories and pictures of events that occurred in our community—from businesses, to sporting events to those embarrassing moments in your life that were published. You don't need a library card to access these copies. On the library's webpage, click the local history/genealogy tab and scroll down to Gazettes. You will also notice a link to the Sterling High School yearbooks—another great place to explore and relive your high school days.

Once again, I thank you for your support, patience and understanding during this time. Wishing you all good health in the coming days. Please feel free to contact me at any time
